DETERMINATION OF NONSIGNIFICANCE

Description of Proposal: Forest Practices Application #2703056: 475 acres of uneven aged timber harvest using ground-based yarding. Approximately 2 million board feet will be removed. The area includes an area of deep-seated landslides that will be excluded from the harvest unit.

Proponent Boise Cascade Corporation

Location of proposal, including street address, if any. Sections 15 T20N, R19E, Kittitas County, Wa., in the Naneum drainage.

Lead agency: Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
