## Sold and Scheduled Timber Sale Volume

### **Disclaimers**

#### Sold Sales & Volume

- a) Individual sales may be listed in more than one SHU, but volumes are proportioned based on amount of area within each SHU
- b) Sold FY 2020 sales include 16 MMBF of volume originally offered and accounted for in FY 2019. These sales are italicized in the attached list of sales.
- c) Depending on contract length, it can be 6 months to more than a year before harvest operations begin on a sold sale
- d) Volumes for sold contract harvest sales (those listed as 'Sale Name Sorts') and sales sold on a scale basis (weight or mbf volume) do not represent what may be final delivered sale volumes in future reporting

#### Scheduled Sales & Volume

- a) Individual sales may be listed in more than one SHU, but volumes are proportioned based on amount of area within each SHU
- b) All sales listed as scheduled are subject to change at any time
- c) Unsold sales listed may be rescheduled due to any number of factors including, but not limited to, accessibility and market conditions
- d) Sale areas will change following completion of field reconnaissance and sale layout
- e) 28 MMBF of FY 2020 total scheduled volume includes previously accounted for volume approved in fiscal year 2019. These sales are italicized in the attached list of sales.

#### **Units**

MMBF = millions of board feet
