DNR Policy on Publication of Visual Assets requires that a signed release form must be obtained from every subject photographed or recorded with the following two exceptions:

- Adults attending a public meeting, event, or gathering
- Employees of the Washington State Department of Natural Resources

For children enrolled in grades K-12, the release must be signed by a parent or guardian. Ordinarily, for school-connected activities, the parents sign a blanket release that is kept on file at the school. It is our responsibility to confirm this with the teacher, school, or organization in every case of a field trip, volunteer activity, or situation that we might want to photograph or record; and, if there is no release on file, we must obtain individual releases and keep them permanently on file.
