Notes: Revenue is received daily by the Department of Natural Resources for activities on State Forest lands and deposited daily at the Office of State Treasurer. Effective February 1998 these monies are remitted to each county via wire transfer a minimum of four times per month. Due to the specific date monies are received by the Department and the cutoff dates used by the State Treasurer for wire transfers, the revenue for the current period may be different than actual remittances to date.

For reporting purposes, DNR follows the modified accrual basis of accounting per Generally Accepted Accounting Principles (GAAP).

Under this measurement focus, revenues are recognized and recorded when they become both measurable and available, i.e., when invoiced.
