

AGENDA

May 16, 2018

Finch Arboretum, 3404 W Woodland Blvd, Spokane, WA 99224

9:00 AM – 3:30 PM

Program Purpose

The Washington State Urban and Community Forestry Program works to educate citizens and decision-makers about the economic, environmental, psychological and aesthetic benefits of trees and to assist local governments, citizen groups and volunteers in planting and sustaining healthy trees and vegetation wherever people live and work in Washington State.

Mission

Provide leadership to create self-sustaining urban and community forestry programs that preserve, plant and manage forests and trees for public benefits and quality of life.
