MEMORANDUM

TO: Forest Practices Board

FROM: Marc Engel, ^{ME} Forest Practices Division

SUBJECT: Amendment of Forest Practices Board Manual Section 7

At the February meeting, the Board will consider adopting one of three rule proposals to change the requirements for inner zone harvesting within Western Washington riparian management zones, WAC 222-30-021. Should the Board adopt a new rule, the guidelines in Forest Practices Board Manual Section 7; Guidelines for Riparian Management Zones (Measuring Widths and Tree Counts) will be updated. The amended Board manual will be presented to the Board for approval at the May meeting.
