

Committee on Geographic Names

Hix Bay – San Juan County

Hix Bay was named after Cynthia and Louis Hix who purchased the property, but was spelled as "Hicks Bay" on maps and charts.

The proponent states that there was never a family with the last name of "Hicks" in the area.

Shaner Creek– Thurston County

The proponent purchased the property in 2001, and his father, Melvin Shaner, worked with a local Boy Scout troop to get the creek cleaned up of garbage.

Melvin Shaner was awarded a certificate of achievement from Thurston County for his efforts.
