

# CITY OF EVERETT & SNOHOMISH COUNTY PUD

- Our joint interest in the Sultan Basin
  - Municipal water supply and Hydro Power partners in the Jackson Project
- Julie Sklare – City of Everett Watershed Manager
- Mike Schutt – Snohomish County PUD Wildlife Biologist and Recreation Manager

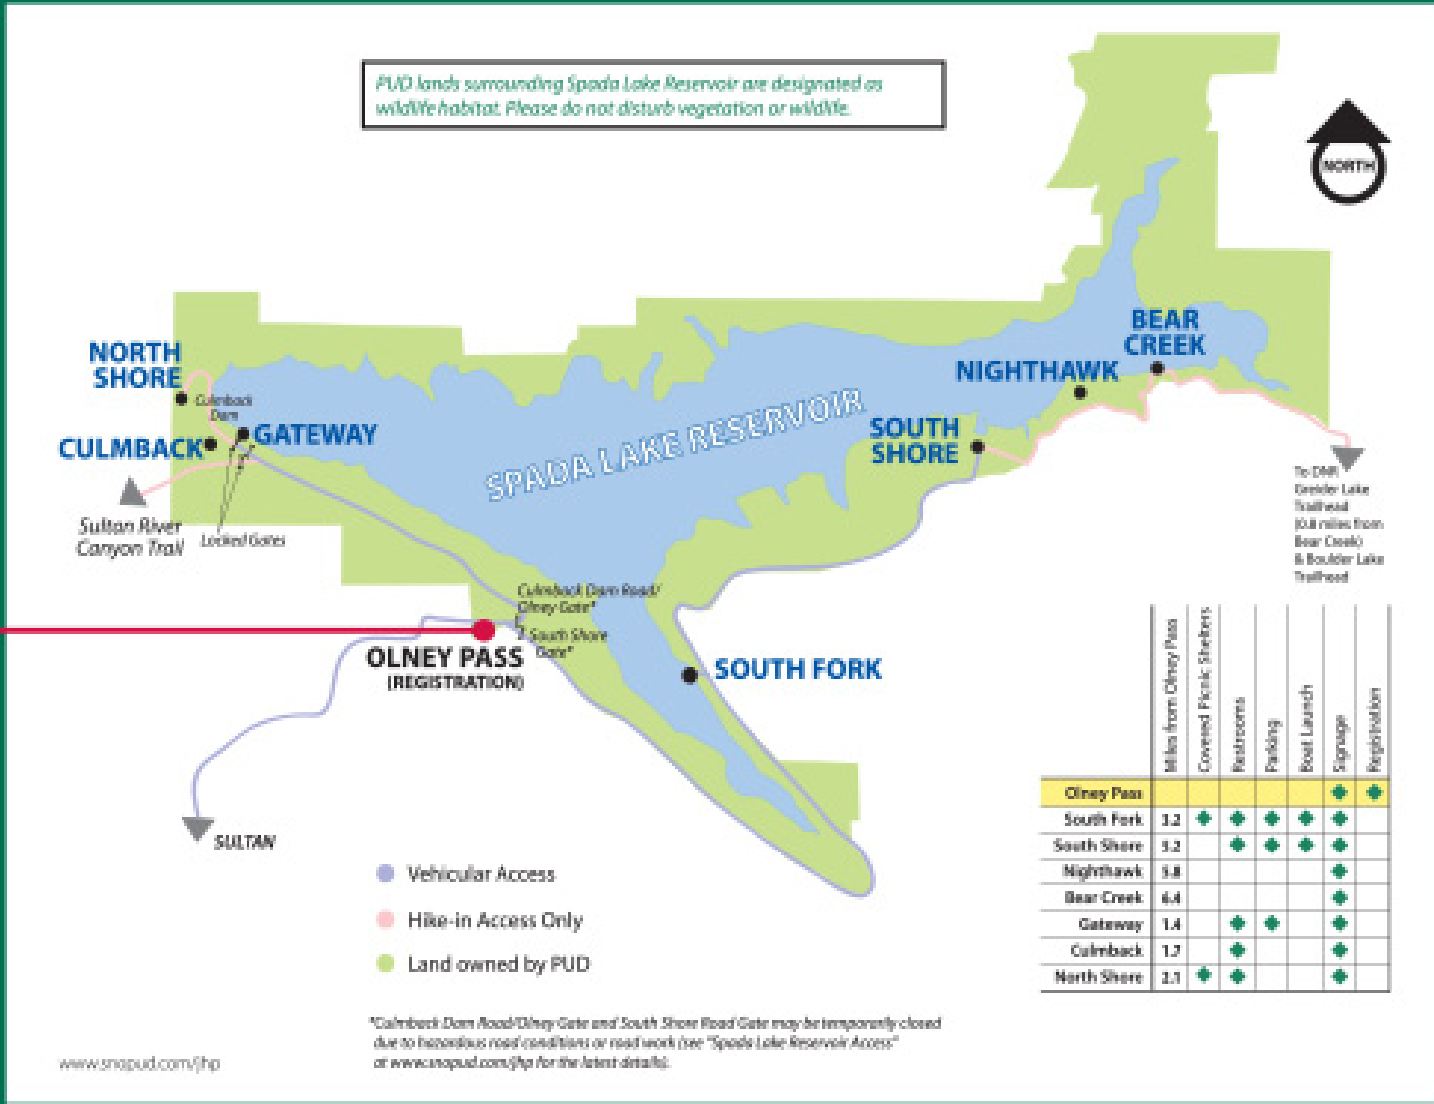

- Licensed by the Federal Energy Regulatory Commission (FERC).
  - License renewal in 2011 – open & public process.
    - Free to all members of the public.
    - Recreation is allowed but restricted to protect water quality and habitat functions.
    - Day use only; no overnight camping
    - 2,500 acres of land, 1,800 acres of reservoir open for recreation & hunting.
    - Patrolled by City of Everett Watershed Patrol and WDFW law enforcement

- 
- The slide features a blue gradient background with white circuit-like lines in the corners. The lines are composed of straight segments and circles, resembling a network or data flow diagram. They are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.
- In the Spada Lake Basin, PUD provides:
    - 7 recreation sites – signage, picnic tables.
    - 2 boat launches for access to Spada Lake, but not gas motors, inflatables or swimming allowed.
    - 6 Restroom facilities.
    - Trailhead parking for access to DNR’s Boulder and Greider trails

**YOU  
ARE  
HERE**

PUD lands surrounding Spada Lake Reservoir are designated as wildlife habitat. Please do not disturb vegetation or wildlife.

\*Culmback Dam Road/Olney Gate and South Shore Road Gate may be temporarily closed due to hazardous road conditions or road work (see "Spada Lake Reservoir Access" or [www.snopud.com/jhp](http://www.snopud.com/jhp) for the latest details).

OLNEY PASS - ENTRANCE TO SPADA LAKE RECREATION AREA - Register Here

## RESTROOMS AND SIGNAGE AT CULMBACK DAM

## DAY USE PICNIC AREAS

## WATER QUALITY REGULATIONS

This lake provides 80% of the drinking water for Snohomish County.

**To protect this main source of drinking water,  
please obey all water quality restrictions.**

- ▶ Boat launching only at designated sites.
- ▶ Electric motors only on all boats.
- ▶ All motorized vehicles must stay on improved roads.
- ▶ Picnicking allowed only at designated sites.
- ▶ Pets must remain in vehicles or be leashed at all times. Pets must be kept out of the lake. No livestock allowed.
- ▶ **NO** camping on PUD lands.
- ▶ **NO** swimming, wading and/or water-contact activities. This includes all board-type water sports where body contact with the lake is likely.
- ▶ **NO** use of inflatable devices on lake.
