

WASHINGTON STATE DEPARTMENT OF  
**NATURAL RESOURCES**

## Attention DNR Timber Purchasers

### **MAY 2020 TIMBER ANNOUNCEMENT #4 May 26, 2020**

#### **Log Sort Long-haul Surcharge**

The State's haul cost analysis, used to determine the apparent high bidder for sort sales, is being updated to include a surcharge for long haul distances, delivery destinations in excess of 250 total one-way miles (A miles plus C miles).

Long-haul surcharge: \$25/mbf net scale for mbf scale sorts or \$4.60/ton for tonnage sorts. The DNR has updated the auction high bid calculator and this surcharge value will be used to evaluate bids submitted for this proposal. Upon further analysis by the State, this rate may be different for future proposals.
