Motions passed on February 14, 2018
Subject to FPB approval

Potential Habitat Break Recommendations

Tom Nelson moved the FPB accept the following PHB options to be included in the draft rule proposal and accompanying analyses:

1. No action – existing rule language;
2. UCUT Proposal as amended during board discussion at 2/14/2018 meeting;
3. Western Tribes Proposal as presented at 2/14/2018 meeting; and
4. Landowner's Proposal, as amended during board discussion at 2/14/2018 meeting;
(test #15 from the science team's recommendations plus their description of an anadromous layer, eastern and western Washington.)

He moved the FPB direct staff in consultation with stakeholders to incorporate the above PHB options into rule language, guidance and required analyses (CBA, SBEIS and SEPA) to accompany the draft water typing system rule.

He also moved to direct staff to work with fish habitat technical group and other stakeholders to report back at the June meeting on the ability to implement each approved PHB option.
