MARBLED MURRELET CONSERVATION STRATEGY for forested state trust lands in western Washington

NEPA/SEPA Joint Environmental Impact Statement Scoping Phase 2 Public Comment Form

Please submit by July 1, 2013

Description of proposal

Amend DNR's 1997 State Trust Land Habitat Conservation Plan (HCP) to include a long-term Conservation Strategy for the marbled murrelet.

Conceptual Alternatives for the Long-term Conservation Strategy (see attached)

1. General comments—Please share any general comments about the Conceptual Alternatives here.

2. Alternatives – What additional alternatives (or components of alternatives) that meet the Need, Purpose and Objectives should DNR and USFWS consider?

6. **Environmental information**—What additional information is available or needed to address your key issues and concerns?

The next SEPA notice will transmit the Draft Environmental Impact statement. Check this box if you would like to be notified. Please provide your e-mail contact information.
