

Blanchard Forest Advisory Committee – Membership Composition

Updated 5/1/2023

The Blanchard Forest Advisory Committee (BFAC) is an informal advisory group that advises the Commissioner of Public Lands on the management of Blanchard Forest. Various interest groups, agencies and individuals are represented on BFAC, including:

- Organized non-motorized recreation group
- Trust beneficiary representatives
- Forest landowners, industry, and forest managers
- Land trust managers
- Conservation/forest ecology representatives (Conservation Northwest)
- Community members
- Education
- Business
- State Agencies

DNR is currently gathering further information on BFAC membership.
