

Washington Wildland Fire Protection Strategic Plan Open House

Welcome!

Thank you for joining us! Tonight's open house is one of two being held this spring to gather feedback on the Washington Wildland Fire Protection Strategic Plan (Plan). Your input will inform the vision, goals, and strategies best suited for improving wildland fire outcomes in Washington state.

Your involvement this evening and throughout the Plan's development is important to envision the changes needed to reduce wildfire risks to people, communities, and the environment, and to maintain the quality of life in Washington. Thank you for participating in this important process!

This evening's agenda

- 4:00 PM** Settle in to the room and enjoy refreshments
- 4:30 PM** Hear a presentation on the Wildland Fire Protection Strategic Plan
- 5:00 PM** Visit stations & share your input
- 7:00 PM** Adjourn

Washington Wildland Fire Protection Strategic Plan Open House

Ways to provide input

- This evening** Visit the stations, fill out a comment form, and sign up for email updates
- Email** Write to the project team at WildfirePlan@dnr.wa.gov
- Online** Learn more at dnr.wa.gov/StrategicFireProtection
- Coming up** Provide feedback on the draft strategic plan
