

Study Leadership and Participants

Study Leaders/Key Contacts

Kevin Alexander

Washington Department of Natural Resources
Olympic Region

Accelerated Variable Density Thinning Contact

kevin.alexander@dnr.wa.gov

Andrew Bluhm

Oregon State University
College of Forestry

Cedar-Alder Polyculture Contact

andrew.bluhm@oregonstate.edu

Courtney Bobsin

University of Washington
College of Environment

Ethnoforestry/Variable Density Planting Contact

cbobsin@uw.edu

Bernard Bormann

University of Washington
College of Environment

Overall Study Lead

bormann@uw.edu

Dan Donato

Washington Department of Natural Resources
Forest Resources Division

Complex Early Seral Contact

daniel.donato@dnr.wa.gov

Gregory Ettl

University of Washington
College of Environment

Ethnoforestry/Variable Density Planting Contact

ettl@uw.edu

Kyle Martens

Washington Department of Natural Resources
Olympic Experimental State Forest

Riparian Lead

kyle.martens@dnr.wa.gov

Marc Miller

University of Washington
College of Environment

Social Science Contact

mlmiller@uw.edu

Teodora Minkova

Washington Department of Natural Resources
Olympic Experimental State Forest

Overall Study Lead

Teodora.minkova@dnr.wa.gov

Bill Wells

Washington Department of Natural Resources
Olympic Region

Overall Study Lead

william.wells@dnr.wa.gov

Type 3 Watershed Experiment in the Olympic Experimental State Forest

Study Participants

J. Ryan Bellmore

USDA Forest Service
Pacific Northwest Research Station

Stephen Bollens

Washington State University

David Butman

University of Washington
College of Environment

Woodam Chung

Oregon State University
College of Forestry

Derek Churchill

Washington Department of Natural Resources
Olympic Experimental State Forest

Warren Devine

Washington Department of Natural Resources
Olympic Experimental State Forest

John Gordon

Yale University
School of the Environment

Peter Kiffney

NOAA Northwest Fisheries Science Center
Northwest Fisheries Science Center

Lauren Kuehne

Omfishient Consulting

Brittany Johnson

University of Washington
College of Environment

Martin Liermann

NOAA National Marine Fisheries Service
Northwest Fisheries Science Center

Robert McGaughey

USDA Forest Service
Pacific Northwest Research Station

Brian Morris

Washington Department of Natural Resources
Forest Resources Division

Deana Olson

USDA Forest Service
Pacific Northwest Research Station

Bryan Pelach

University of Washington
College of Environment

Rob Slesak

USDA Forest Service
Pacific Northwest Research Station

Sandor Toth

University of Washington
College of Environment
