

Surface Mine Advisory Committee – Membership Composition

The inaugural meeting of the Surface Mine Advisory Committee in May 2019 included representatives from a variety of stakeholder groups. Private corporations, county governments, non-profit groups, and state agencies are represented.

Organizations and entities represented include, but are not limited to: CRH Americas Materials, CPM Development Corps, Cal Portland, The Weyerhaeuser Company, Cadman Inc., Columbia Quarry, Miles Sand and Gravel Company, Washington State Department of Transportation (Eastern Region – Spokane), Washington State Department of Ecology, Whatcom County, The Washington Aggregates and Concrete Association (WACA), and the Granite Construction Company. Washington Conservation Action was invited to attend the inaugural meeting as well.

Membership on this committee is fluid and open to all stakeholders with an interest in the topic. Membership does not require appointment by the Commissioner of Public Lands. This body is a stakeholder group that works in concert with the Washington Geological Survey.
