

NOTICE OF RULE MAKING HEARING

January 7, 2015 4 p.m. Natural Resources Building
1111 Washington Street SE, Room 172
Olympia, Washington

The Forest Practices Board will hold a public hearing to receive comments on proposed forest practices rules that amend WAC 222-10-030 and WAC 222-20-010. The purpose of the rules is to clarify that DNR will require specific geologic information prepared by a qualified expert, if DNR needs it to appropriately classify Forest Practices Applications (FPAs). This applies to FPAs that include proposals where potentially unstable slopes or landforms are on or around the area of an FPA.

The Board will hear oral testimony at the hearing; hard copies of testimonies are appreciated.

The comment deadline is January 8, 2015.
