

NOTICE OF INTENT TO OBTAIN CUSTODY

Unnamed VESSEL with WA Registration # WN 9511 LG

Washington State Parks and Recreation Commission (WSPRC) declared the unnamed vessel WN 9511 LG *with* registration # WN 9511 LG, an emergency because it meets the criteria for temporary possession described under RCW 79.100.040(3). WSPRC took temporary possession of the vessel and had it removed from the Keystone Spit area of Fort Casey State Park, Island County, in order to prevent it from sinking, breaking up, blocking navigation, or posing a threat to human health and safety or the environment.

WSPRC intends to take formal and full custody of the vessel on **(4/13/2024)**. After taking custody, WSPRC may use or dispose of it without further notice. The owner is responsible for all related costs.

In order to keep the vessel, the owner must take the following actions before the Custody Date:

- Pay WSPRC back for costs incurred to date, **and**
- Move the vessel to an anchorage area, moorage facility, or storage location that authorizes the vessel.

If the owner wants to reclaim the vessel after WSPRC has custody, or wants to challenge WSPRC decision to take custody, the owner must file a written appeal with the Pollution Control Hearings Board (PCHB) and serve a copy on WSPRC. Addresses are in the boxes below:
