# Klickitat Canyon Community Forest

## Goals, cont.

- Access
- Recreation
- Cultural Resources

# Klickitat Canyon Community Forest

- Provide local timber jobs, public access for recreation, fish and wildlife habitat, water benefits
- Provide educational opportunities for local communities regarding the benefits of working forests

# Klickitat Canyon Community Forest

## Management Requirements

- Management plan has been created by an advisory committee made up of community members and local government representatives
- The planning process has identified the types of uses that are suitable for this property, that reflect the community's values, and that are compatible with the legal parameters
- Revenue will go toward reimbursing management costs and accomplishing the management objectives
