

Prevent Wildfires

WASHINGTON STATE DEPT OF
**NATURAL
RESOURCES**

Be Campfire Safe, Prevent Wildfires

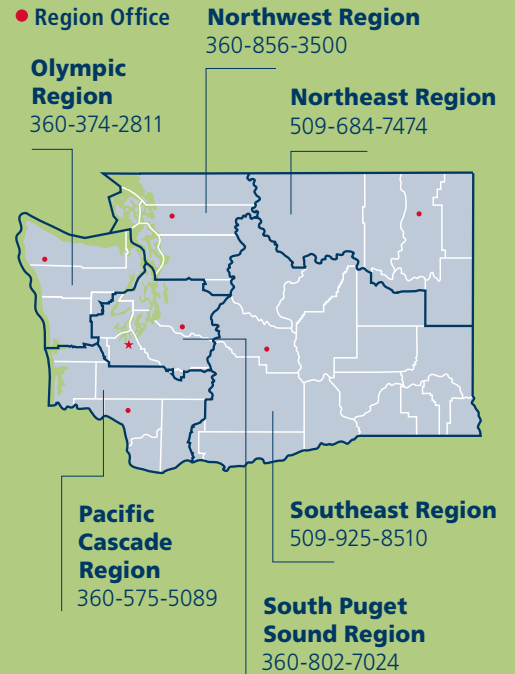

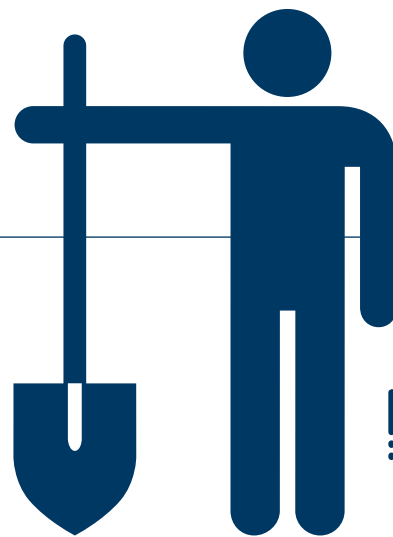

RECREATIONAL FIRES ARE NOT ALLOWED ON STATE LANDS EXCEPT IN APPROVED DESIGNATED CAMPGROUNDS

- Find out fire restrictions where you will camp.
- Keep a shovel and water close at hand when your campfire is going.
- Use water to drown the campfire and use a shovel to stir the water and coals to cool it down. Repeat as needed.
- The fire must be attended at all times by a person capable of extinguishing it quickly.
- Completely extinguish the fire before you leave.

COMPLETELY EXTINGUISH THE FIRE BEFORE YOU LEAVE

Keep the fire small.

A small fire surrounded by rocks gives plenty of heat.

BURNING OF ANY MATERIAL, EXCEPT FIREWOOD, IS PROHIBITED

DON'T LEAVE

OK TO LEAVE

10 FT.
