

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Lakebay Underground Storage Tank Removal - We are proposing to remove a 2,000 gallon underground fuel tank. The tank has been emptied. We will also remove approximately 115 CY of contaminated soil and backfill with clean gravel barrow.

Proponent: Department of Natural Resources Aquatics Division

Location of proposal, including street address, if any: The location is 16403 Lakebay Dock Rd. Lakebay, WA within the upland portion of Lakebay Marina. Section 01 Township 20N Range 1W Quarter 22.

Lead agency: DNR

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS

This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from September 5, 2024. Comments must be submitted by September 19, 2024.
