DETERMINATION OF NONSIGNIFICANCE

Description of proposal: This proposal is for the construction of 250 ft of road over State trust land to access the proponent’s property and facilitate hauling operations. The road will have a constructed width of 12 feet, and clearing limits within 15 feet of the centerline on each side of the road. The total impacted area will be roughly 0.17 acres. Following project completion, this road will be abandoned and re-planted with native conifer trees. Green Diamond Road Use Permit, agreement number 50-108176

Proponent: Green Diamond Resource Group

Location of proposal, including street address, if any: This site is located in the NW1/4 SW1/4 of Section 22, Township 3 North Range 7 East, W.M. Skamania County, WA. This site is located approximately 3.5 miles to the northwest of Stevenson, WA.

Lead agency: Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
