DETERMINATION OF NONSIGNIFICANCE

Description of proposal: The proposal is for an expansion to an existing Surface Mine Reclamation Permit (#70-012953) which will increase the mine size to 49 acres. The proposal will remove aggregate material to a depth of 175 feet below pre-mining topographic grade. The site will be reclaimed to a commercial subsequent use.

Proponent: CB National LLC

Location of proposal, including street address, if any: The proposed site is located at 1300 North National Avenue in Chehalis, WA within a portion of Section 29, Township 14 North, Range 2 West Willamette Meridian, in Lewis County.

Lead agency: Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
