DETERMINATION OF NONSIGNIFICANCE

Description of proposal: The proposal is for a new Surface Mine Reclamation Permit (#70-013302) for a 73.7 acre mine, of which approximately 53 acres will be disturbed by mining-related activities. The proposal will remove aggregate material to a depth of 380 feet below pre-mining topographic grade. The site will be reclaimed to a commercial forestry subsequent use.

Proponent: Versatile Industries, Inc.

Location of proposal, including street address, if any: The proposed site is located near milepost 318.7 on U.S. Route 2 southwest of Diamond Lake, WA within a portion of Sections 13 and 24, Township 30 North, Range 43 East Willamette Meridian, in Pend Oreille County.

Lead agency: Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS**
- This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from October 18, 2024. Comments must be submitted by November 1, 2024.**
