The Department of Natural Resources issued a Determination of Non-significance (DNS), Mitigated Determination of Non-significance (MDNS), Modified DNS/MDNS on **November 6, 2024** for this proposal under the State Environmental Policy Act (SEPA) and WAC 197-11-340(2).

This threshold determination is hereby:

Retained.

Modified. Modifications to this threshold determination include the following:

Withdrawn.

Delayed. A final threshold determination has been delayed due to the following:

Summary of Comments and Responses (if applicable)

- 1) A comment received from Stephen Kropp of Legacy Forest Defense Coalition stating the area of this timber sale is a rare ecosystem within the Perry Creek watershed that should be preserved for the occurrence of legacy trees, habitat for wildlife species, carbon sequestration, and meeting the goals of the HCP.
 - ➔ Comment has been taken under consideration and does not change the threshold determination. A response will be sent to the individual by the landowner.
- 2) A comment received from Shaun Dinubilo of the Squaxin Island Tribe Cultural Resources Department asked for a copy of the cultural resources survey report.
 - ➔ Landowner has responded to the comment and submitted the cultural resources survey report.
