

## NOTICE OF INTENT TO OBTAIN CUSTODY

### VESSEL REGISTRATION WN0824SK

The Washington Department of Fish and Wildlife (WDFW) declared the vessel a 1985 blue and white 23 ft 230 Cuddy Cruiser WN0824SK, and emergency because it meets the criteria for temporary possession described under RCW 79.100.040(3). WDFW took temporary possession of the vessel and had it removed from Black Lake as well as the WDFW Black Lake Access/Boat Launch, Thurston County, to prevent it **from sinking, breaking up, blocking navigation, or posing a threat to human health and safety or the environment.**

WDFW intends to take formal and full custody of the vessel on **(12/19/2024)**. After taking custody, WDFW may use or dispose of it without further notice. The owner is responsible for all related costs.

**In order to keep the vessel, the owner must take the following actions before the Custody Date:**

- **Pay WDFW back for costs incurred to date, and**
- **Move the vessel to an anchorage area, moorage facility, or storage location that authorizes the vessel.**

If the owner wants to reclaim the vessel after WDFW has custody, or wants to challenge WDFW decision to take custody, the owner must file a written appeal with the Pollution Control Hearings Board (PCHB) and serve a copy on WDFW. Addresses are in the boxes below:
