## NOTICE OF INTENT TO OBTAIN CUSTODY

### VESSEL *Shangri-La* with Registration #WN1504SA

The Port of Allyn (Entity) declared the vessel *Shangri-La*, with Registration #WN1504SA, as abandoned or derelict. The vessel is currently moored at the Port of Allyn Waterfront Facility and chained for lack of payment or communication.

The Port of Allyn, acting as an authorized public entity with the authority granted in RCW 79.100, intends to take custody of the vessel on **October 2<sup>nd</sup> 2024 (Custody Date)**. After taking custody of the vessel, Port of Allyn may use or dispose of it without further notice to the owner.

### In order to keep the vessel, before the Custody Date, the owner must:

- Get authorization to moor or anchor the vessel in its current location, or
- Move it to an anchorage area, moorage facility, or storage location that authorizes the vessel.
- Remove the vessel from the water.

If the owner wants to reclaim the vessel after Port of Allyn has custody, or wants to challenge Port of Allyn's decision to take custody, the owner must file a written appeal with the Pollution Control Hearings Board (PCHB) and serve a copy on Port of Allyn. Addresses are in the boxes below:

<p><b>Pollution Control Hearings Board</b> (send one original and one copy)</p> <p><b>Physical address:</b> 1111 Israel Road, Ste. 301 Tumwater, WA 98501</p> <p><b>Mailing address:</b> PO Box 40903 Olympia, WA 98504-0903</p> <p><b>Phone:</b> 360-664-9160</p>	<p><b>Port of Allyn</b> 18560 E State Route 3 PO Box 1 Allyn, WA 98524</p>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------

### The appeal must include the following information:

- A copy of this notice or a copy of the notification letter to the owner.
- Your name and address (mailing and legal, if different) and, if applicable, the name and address of your representative.
- A daytime phone number.
- A brief statement why you are appealing.
- A statement of what you want the Pollution Control Hearings Board to do.

- Your signature or that of your representative. This signature certifies that the content of the appeal is true.

See <https://eluh0.wa.gov/> or call the PCHB at the number above with appeal questions.

The owner may submit the appeal immediately, but the PCHB must receive it no later than **November 2<sup>nd</sup> 2024 (Appeal Date)**. **The owner waives the right to a hearing if the PCHB does not receive an appeal on or before the Appeal Date. The owner is then liable for any costs incurred by Port of Allyn in responding to the vessel.**

These costs may include all administrative costs incurred by Port of Allyn removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. If there is a lawsuit, the successful party may receive reasonable attorneys' fees and costs.

Port of Allyn also may pursue any other remedies available under law. For example, Port of Allyn may take temporary possession of the vessel under the circumstances described in the Revised Code of Washington (RCW) 79.100.040(3). You can find a copy of this law online at <http://apps.leg.wa.gov/RCW/default.aspx?cite=79.100> .
