

Carbon and Forest Management Work Group

November 13, 2024 | 9 am – 11 am

Meeting #9

Welcome to Work Group Members

- This is a public meeting and is being recorded.
- Please use the chat for questions during the presentations. We will have designated times to address questions throughout the meeting.
- Please keep cameras on.
- Please keep microphones off unless speaking.
- Materials, including the meeting recording, will be available on the work group website after the meeting.

Welcome to Members of the Public

- The public will not be able to comment within this meeting but can share questions via email.
- Please direct all questions to Duane Emmons, duane.emmons@dnr.wa.gov
- Refer to the work group website for meeting information and materials.

The screenshot shows the website for the Washington State Department of Natural Resources, specifically the page for the Carbon and Forest Management Work Group. The header includes the department's name and the Commissioner's name, Hilary S. Franz. A search bar is located in the top right corner. The main navigation menu includes 'PROGRAMS AND SERVICES', 'ABOUT', 'MANAGED LANDS', and 'EMPLOYMENT'. The page content features a sidebar with a list of boards and commissions, including the Board of Natural Resources, Forest Practices Board, Advisory Committee on Real Estate Strategy, Blanchard Forest Advisory Committee, Carbon and Forest Management Work Group (highlighted), Committee on Geographic Names, Encumbered Lands Steering Committee, Forest Health Advisory Committee, and Lidar Advisory Committee. The main content area has a heading for the 'Carbon and Forest Management Work Group' and a brief description of the department's role in managing state trust lands. A photo of Commissioner Hilary Franz is shown on the right, with a caption inviting the public to serve on a board. Social media icons for Facebook, Twitter, YouTube, and Instagram are also present.
