

CMER Request

Proponent: Roads Project Team	Date: 27 Aug 2024
Contact: Charlie Luce, Charles.luce@usda.gov	PM: Alexander Prescott alexander.prescott@dnr.wa.gov
Project Name/Issue: Road Prescription-Scale Effectiveness Monitoring Project (Roads Project)	
Request: The Roads Project Team is submitting the second of two interim reports for Road Prescription-Scale Effectiveness Monitoring Project for CMER's consideration.	
Funding Source:	Urgency:
Request Description: This second interim report for the Road Prescription-Scale Effectiveness Monitoring Project provides a formal update to our 2021 interim report. This report contains status updates on our main experiment, six parameterization experiments, modeling efforts, and more. Preliminary data summaries/analyses and published articles will also be presented.
