

BOARD OF NATURAL RESOURCES MEETING WEBINAR INSTRUCTIONS

Please read these instructions all the way through prior to the beginning of the webinar. You are encouraged to join the webinar BEFORE the 3 p.m. start time so that you are connected when the meeting begins. You are able to register at any time, and will be able to access the webinar approximately 30 minutes before the meeting.

If you have documents or written comments you would like to share with Board members, please email them to [Smart Comment](#) prior to the meeting.

THE WEBINAR STARTS AT 3 P.M. ON APRIL 21

There are different options available to join the webinar:

- 1) **Call in on a phone line.** If you use this option, you will be able to listen to the meeting; however, you will not be able to provide public comment. You do not need to register to use the phone line option. DNR periodically schedules “study sessions” between regularly scheduled Board meetings to give Board members more time to learn about complex or highly technical topics. As no decisions are made during study sessions, DNR does not allocate time for members of the public to comment, although everyone is welcome to attend as an observer

- 2) **Join the webinar from a Mac, PC, or mobile device.** If you use one of these options, you will register for the webinar and be able to listen to the meeting

3)
