DETERMINATION OF NONSIGNIFICANCE

Description of Proposal: Forest Practices Application **# SE-FPA-26-9016** for a conversion harvest in Klickitat County, Washington.

The proposed project is approximately 16.7 acres of variable retention thinning and an additional 2.4 acres that will be converted for a future homesite with an existing 1000 ft driveway.

Proponent: Payton Thornton

Location of proposal, including street address, if any:

The parcel proposed for conversion is located in Klickitat County, 09-03-11E, parcel: 03110900002100.

Lead agency: Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
