NOTICE OF INTENT TO OBTAIN CUSTODY

1984 Sundancer 260, beige in color with WA Registration WN5263NP

The Bainbridge Island Police Department(BIPD) declared a 1984 Sundancer 260, beige in color, with WA registration WN5263NP, an emergency because it meets the criteria for temporary possession described under RCW 79.100.040(3). BIPD took temporary possession of the vessel and had it removed from Marine Area 10, in Murden Cove, Bainbridge Island, Kitsap County, in order to prevent it from sinking, breaking up, blocking navigation, or posing a threat to human health and safety or the environment.

BIPD intends to take formal and full custody of the vessel on **8/25/2026 (Custody Date).** After taking custody, BIPD may use or dispose of it without further notice. The owner is responsible for all related costs.

In order to keep the vessel, the owner must take the following actions before the Custody Date:

- Pay BIPD back for costs incurred to date, **and**
- Move the vessel to a moorage facility, or storage location that authorizes the vessel.

If the owner wants to reclaim the vessel after BIPD has custody, or wants to challenge BIPD's decision to take custody, an appeal must be filed with the Pollution Control Hearings Board (PCHB) electronically through the Case Management System (CMS), except as identified in WAC 371-08-361 (3)(e). If a party does not have the technological capacity to file electronically through the CMS, a party may file by personal delivery, commercial delivery, fax, electronic mail, or first-class, registered, or certified mail and serve a copy on BIPD. The owner is then liable for any costs incurred by BIPD in responding to the vessel.**

These costs may include all administrative costs incurred by BIPD, removal and disposal costs, and costs associated with environmental damages directly or indirectly caused by the vessel. If there is a lawsuit, the successful party may receive reasonable attorneys' fees and costs. BIPD also may pursue any other remedies available under law. For example, BIPD may take temporary possession of the vessel under the circumstances described in the Revised Code of Washington (RCW) 79.100.040(3).
